(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority;

(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(l) That amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary;

(m) The method and time period for requesting a hearing; and

(n) The name and address of an official of USDA to whom communications must be directed.

### § 3.75 Request for a hearing.

(a) Except as provided in paragraph (c) of this section, an employee must file a petition for a hearing that is received by USDA not later than 30 days from the date of the USDA notice described in § 3.74, if an employee wants a hearing concerning:

(1) The existence or amount of the debt; or

(2) USDA's proposed offset schedule (including percentage).

(b) The petition must be signed by the employee and must identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the petition must state the objection and the reasons for it.

(c) If the employee files a petition for a hearing later than the 30 days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

### § 3.76 Result if employee fails to meet deadlines.

An employee will not be granted a hearing and will have his or her disposable pay offset in accordance with USDA's offset schedule if the employee:

(a) Fails to file a petition for a hearing as prescribed in § 3.75; or

(b) Is scheduled to appear and fails to appear at the hearing.

### § 3.77 Hearing.

(a) If an employee timely files a petition for a hearing under section 3.75, USDA shall select the time, date, and location for the hearing.

(b)(1) Hearings shall be conducted by the hearing official designated in accordance with 5 CFR 550.1107; and

(2) Rules of evidence shall not be adhered to, but the hearing official shall consider all evidence that he or she determines to be relevant to the debt that is the subject of the hearing and weigh it accordingly, given all of the facts and circumstances surrounding the debt.

(c) USDA will have the burden of going forward to prove the existence of the debt.

(d) The employee requesting the hearing shall bear the ultimate burden of proof.

(e) The evidence presented by the employee must prove that no debt exists or cast sufficient doubt such that reasonable minds could differ as to the existence of the debt.

### § 3.78 Written decision following a hearing.

Written decisions provided after a hearing will include:

(a) A statement of the facts presented at the hearing to support the nature and origin of the alleged debt and those presented to refute the debt;

(b) The hearing officer's analysis, findings, and conclusions, considering all the evidence presented and the respective burdens of the parties, in light of the hearing;

(c) The amount and validity of the alleged debt determined as a result of the hearing;

(d) The payment schedule (including percentage of disposable pay), if applicable;

### § 3.79

(e) The determination that the amount of the debt at this hearing is the final agency action on this matter regarding the existence and amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514. However, even if the hearing official determines that a debt may not be collected by salary offset, but the creditor agency finds that the debt is still valid, the creditor agency may still seek collection of the debt by other means authorized by this part; and

(f) Notice that the final determination by the hearing official regarding the existence and amount of a debt is subject to referral to Treasury under § 3.33 in the same manner as any other delinquent debt.

#### **§ 3.79 Review of USDA records related to the debt.**

(a) *Notification by employee.* An employee who intends to inspect or copy USDA records related to the debt must send a letter to USDA stating his or her intention. The letter must be received by USDA within 30 days of the date of the Notice of Intent to Offset Salary.

(b) *USDA response.* In response to the timely notice submitted by the debtor as described in paragraph (a) of this section, USDA will notify the employee of the location and time when the employee may inspect and copy USDA records related to the debt.

#### **§ 3.80 Written agreement to repay debts as alternative to salary offset.**

(a) *Notification by employee.* The employee may propose, in response to a Notice of Intent to Offset Salary, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt that is received by USDA within 30 days of the date of the Notice of Intent to Offset Salary or 15 days after the date of a hearing decision issued under § 3.78.

(b) *USDA response.* USDA will notify the employee whether the employee's proposed written agreement for repayment is acceptable. USDA may accept a repayment agreement instead of proceeding by offset. In making this determination, USDA will balance the

USDA interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, USDA will accept a repayment agreement, instead of offset, for good cause such as, if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

#### **§ 3.81 Procedures for salary offset: when deductions may begin.**

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in USDA's Notice of Intent to Offset Salary to collect from the employee's current pay.

(b) If the employee filed a petition for a hearing with USDA before the expiration of the period provided for in § 3.75, then deductions will begin after the hearing officer has provided the employee with a hearing, and a final written decision has been rendered in favor of USDA.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see subpart D of this part).

#### **§ 3.82 Procedures for salary offset: types of collection.**

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of the debt exceeds 15 percent of disposable pay for an ordinary pay period. In these cases, deduction will be by installments, as set forth in § 3.83.

#### **§ 3.83 Procedures for salary offset: methods of collection.**

(a) *General.* A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and USDA agree to alternative arrangements for repayment under § 3.80.

(b) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency
